FROM FATHER'S DESK

Father Nathaniel Meyers

This weekend marks our return to Masses in Trinity Hall on the weekend for the first time since 2018 when we relocated there for six months during the restoration of our church's interior. While I certainly will miss the beauty of our church during these upcoming weeks, it is such a blessing that we have a beautiful school with a large space in which we can hold Mass and gather to worship God in the splendor of the liturgy while our church's parking lot is under construction. I hope everyone will find the liturgies during these upcoming weeks to be spiritually enriching and edifying even as we do not have the stunning beauty of our church to help guide our prayer.

One great advantage, however, is that for many parishioners this will be an opportunity to see our recently completed Eagle Scout project that was done near the main entry to our school. As people enter or exit the building, I encourage them to stop and take a look at the great work that was done by our very own parishioner, Ethan Tadych, to build a monument in honor of our patron, St. Francis Xavier. The rock bed located in the grass just east of the doors was completed this spring and, if you ask me, looks like it was always a part of the plan for that space. Many hours of work went into its construction and also into planning how to honor our heavenly patron.

To help people appreciate the monument to St. Francis Xavier more thoroughly, I would like to call attention to the large boulders that are in it. Each one of them has an outline of a country that was pivotal in the life of St. Francis Xavier—from his birth to his formation of the Jesuits with St. Ignatius of Loyola to his missionary activity throughout Asia. We also have the image of the crab, recalling the famous story when St. Francis Xavier arrived at Malacca in 1546. As the great missionary approached the island, a violent storm made it impossible for him to land, so he threw this cross into the sea to calm the storm. Sure enough, the storm ceased immediately and when St. Francis Xavier disembarked on the beach, a crab came crawling towards him holding the very same cross he had thrown into the sea. Like our great patron saint, let us each proceed forward with great faith and courage to proclaim the Gospel to all creatures.

In Christ,
Fr. Meyers

CATHOLIC Q & A: WHY INCENSE?

Question: Why do we use incense at Mass?

Answer: The use of incense in religious ceremonies and worship is a practice that predates Christianity, and which is also found in many other religious traditions today. Incense, which is made from resin infused with aromatic spices and oils, is one of those fundamentally human symbols that incorporates more than one of our senses, helping us to reflect on realities that transcend the everyday details of our lives.

The use of incense in the Church's liturgy — in the Mass, as well as in devotions to the Eucharist and the Liturgy of the Hours — is inspired by the use of incense in the Jewish tradition. In the writings of the Old Testament, we hear about incense being used in the worship of the temple, and Psalm 141 asks, "Let my prayer be incense before you; my uplifted hands an evening offering" (vs. 2). The image here is that, as the incense gently rises to heaven, our prayers also rise to God as something sweet and pleasant.

Another ancient use of incense that has also become part of our Catholic tradition is the idea that when we incense something, it's because it is something special or sacred. This is why the Book of the Gospel is incensed during the Liturgy of the Word and the bread, wine, priest celebrant, and congregation are incensed at the presentation of the gifts. To this, we can also add the incensing of the Blessed Sacrament during eucharistic adoration and benediction, and the body of the deceased at the end of the Mass of the Resurrection (the Funeral Mass).
