

23rd SUNDAY IN ORDINARY TIME

He put his finger into the man's ears and, spitting, touched his tongue; then he looked up to heaven and groaned, and said to him, "*Ephphatha!*"—that is, "Be opened!" - Mk 7:33b-34

A NOTE FROM OUR SCHOOL

Alisa Louwagie, STFX Principal

This week we welcomed students to the 87th year of education at St. Francis Xavier Catholic School. In 1937, the School Sisters of Notre Dame started the tradition of high-quality, faith-based education in Buffalo when they welcomed 69 students to the school. This year St. Francis Xavier school welcomes 42 new students as the school year opens with 290 students in grades K-8 and 37 students in preschool. This is the largest enrollment in the history of our school!

As the new school year begins, we are reminded of what a blessing it is to have Catholic education in our community. As the largest mission of our church, the school provides education in the light of faith. Students are not simply learning math and reading, but are also learning how the study of these subjects is a gift and helps us to learn about God, His World, and His plan for each of us. Along with the academics taught throughout the day, students are also working in developing strong social and leadership skills. This will enable students to be good stewards of these gifts and share them with others through their words and actions.

All of us at St. Francis Xavier School appreciates the continued support from our parish family. Volunteerism is a big part of our success as a school and we are grateful that so many of our parish members model this for our students. Our parish family also provides generous support of our school through donations, giving, and supporting our fundraisers. Our first fundraiser this year is our school Marathon. This will kick off next week as students, staff, and families work together to meet our \$64,000 goal. Please continue to watch the bulletin for more ways that you can support our school by sharing your time, treasure, and talent.

Thank you all for your generous support of our school. It is a joy to be able to share the success of our school with our parish family. St. Francis Xavier School partners with parents in the education of their children. We are excited to begin another school year filled with strong academics, meaningful experiences, and continual work to strengthen our relationship and understanding of God and our Catholic faith.
