

3RD SUNDAY OF LENT

Since the Passover of the Jews was near, Jesus went up to Jerusalem. He found in the temple area those who sold oxen, sheep, and doves, as well as the money changers seated there. He made a whip out of cords and drove them all out of the temple area. - Jn 2:13b-15a

GOSPEL MEDITATION

Encourage Deeper Understanding of Scripture

I am the Lord your God ... You shall not have other gods besides me. —Ex 20:2-3

One of the greatest golfers of all time — if not the greatest — was Jack Nicklaus. Which is why it is baffling that at the beginning of each season he would return to his childhood coach and re-learn how to grip the golf club. It's like Shakespeare re-learning the alphabet and grammar. Why would he do that? Because Jack knew that the fundamentals are always relevant. Perfecting and obsessing over his grip allowed him to do everything else in the game well. In sports and life, the best ones love the basics.

Similarly, as we begin Lent, we re-learn the spiritual basics in the Ten Commandments. Consider the first, to **"have no other gods besides me."** This is our "grip." Is our connection to God one of absolute fidelity and exclusive worship? Am I willing to let go of my precious idols, the things I cling to instead of God? Once we say "yes" to this fundamental question of our spiritual "grip," then we are ready to properly engage with everything else in life. Watch how beautifully the game of life unfolds in the next nine commandments (numbered in parentheses): how we speak to God and others (2 and 8), how we organize our week (3), how we relate to our family (4) and the wider community (5 and 7), how we live our sexuality (6), and how we order all the other desires of the human heart (9 and 10). But don't rush to these later Commandments too soon! Everything in life is built on the first Commandment. The more we focus on worshiping God alone, the better we navigate the complexity of life with panache, effectiveness, and love.

Lenten challenge: This week, identify what you can do to better worship God alone. If you're not sure, scan the last nine commandments to identify what you are most likely to worship instead of God. Power, pleasure, control of your time, possessions, family, health, reputation, money? Commit to concrete action to help you let go of this "idol" to better hold on to God alone in faithful worship. Remember: the best love the basics.

The Buffalo Food Shelf is eligible for additional funding based on the pounds of food that they receive during the March Campaign. Please place any non-perishable food or hygiene donations in the church basement (near the elevator). Donations made through March 31st will be counted toward FoodShare Month. 40 DAYS FOR LIFE

Now – March 24th

40 Days for Life is a community-based campaign that draws attention to the evil of abortion through the use of a three-point program: Prayer & Fasting, Constant Vigil and Community Outreach.

WHAT CAN YOU DO? — Constant Vigil

The visible, public centerpiece of 40 Days for Life is a focused, 40-day, non-stop, round-the-clock prayer vigil outside a single Planned Parenthood center or other abortion facility in your community. It is a peaceful and educational presence. Those who are called to stand witness during this 24-hour-a-day presence send a powerful message to the community about the tragic reality of abortion. It also serves as a call to repentance for those who work at the abortion center and those who patronize the facility.

(PRACTICING CATHOLIC)

Recognize God In Your Ordinary Moments

The Merciful Anger of Jesus — As Catholics, we have become very uncomfortable with Angry Jesus. He makes us cringe in the same way that the Old Testament God does when He calls Himself “jealous” and talks about punishment. That level of intensity makes us recoil. If it were present in a human relationship, it would be toxic and abusive, because in humanity, fierceness and love rarely coexist.

But what a tragedy it would be for us to mistake our relationship with God for our relationship with our spouse, our best friend, or even our human father. Because we cannot see clearly, we would mistake His zeal for anger and His law for diktat. The strong and sure movement of a wave against a rocky cliff will, over time, erode its surface, just as an overabundance of raindrops will flood a city. We do not call the water callous and cruel. We still luxuriate in its coolness and refreshment. Its destructive powers don't negate the life-giving properties of water. We do not demand that water apologize to us for being strong.

Fierce, uncompromising — but also, soft and merciful. How can God — and God's law — be both, at the same time? How can Christ cast a whip at someone's foot, overturn a table and scatter coins? How can the law of God be perfect, as the Psalm says, and refresh the soul — while demanding so much of it? All I can say is, thank God for Angry Jesus. We need his fierceness and thank God it does not wane because it confuses us. Thank God his mercy does not decrease because we doubt it.
