Service

As we begin this new chapter of faith formation at St. Francis Xavier, Confirmation candidates will no longer be required to complete a set number of Works of Mercy hours. This change reflects our desire to move beyond fulfilling a requirement and instead foster a lifelong commitment to living the Gospel through service. We strongly encourage every family to seek meaningful opportunities to share Christ's love by serving within our parish, school, and community. Whether it's volunteering at church, helping a neighbor, participating in a service project, or offering your time and talents in another way, these experiences help us put our faith into action. Our hope is that service becomes not something we do to earn Confirmation, but a natural expression of a life rooted in Christ.
