FROM FATHER'S DESK

Father Nathaniel Meyers

While I was away on retreat last month, Fr. Bob Hart graciously agreed to cover the confessions and Masses for us during the weekend. Fr. Hart is a retired priest of the Archdiocese who currently resides at the Byrne Residence, which we supported through a second collection on Father's Day Weekend to help the facility with updates for its physical plant and to provide more possibilities for nursing care for its residents. I know that some parishioners contributed directly to the Byrne Residence itself through the envelopes that were provided in the church while others gave to the second collection. The total amount raised from the second collection itself, thus not including any monies sent directly to the Byrne Residence, is currently \$3,412.00 and I would not be surprised if the overall total was over \$4,000 from our parish.

On behalf of the priests who live at the Byrne Residence, some of whom I consider dear friends and mentors, I want to express a deep gratitude for this outpouring of generosity. Our parish repeatedly shows itself to be open to caring for those in need, whether it is our support of the Do Unto Others collection or people volunteering for the Buffalo Food Shelf or rising to the challenge when a special request is made of us. The retired priests of the Archdiocese do an invaluable service in helping provide the sacraments to people and their years of service have provided for future generations to proclaim the Catholic faith. In supporting the Byrne Residence, we have shown Christ's love to these men.

In an age where people are often encouraged to be selfish, it is heartening to see concrete examples of people embracing charity. As a virtue, charity is the key ingredient towards building a better society, for it most perfectly brings Christ's saving power into our world. It appears that our economy will be in rough shape for the near future, which means charitable acts will be even more valuable now as families struggle to pay the mortgage, retirees make tough choices between groceries and medicine, and young adults grapple with developing and maintaining a budget. As Catholics in this moment, let us each be an agent of charity to help people, whether financially or emotionally or physically, on our pilgrim journey.

In Christ,
Fr. Meyers

Parish Mission: "Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, teaching them to observe all that I have commanded you." — Matthew 28:19-20

Parish Vision: Out of love for God and neighbor, we achieve our mission by respecting all life from conception until natural death, professing the Catholic faith as received from the Apostles, sharing our gifts for the benefit of all people, focusing on the family as the center of discipleship, and celebrating the sacraments for the greater glory of God.

MUSICAL: HIS NAME IS MICHAEL

Performances: July 15th-17th

Get Your Tickets At: www.HisNameIsMichael.live

The Catholic Order of Foresters Minnesota Agency is excited to present *His Name is Michael*, an original musical by Jeromy Darling.

Loosely based on the exploits of the larger-than-life Catholic priest Father Patrick Manogue, "His Name is Michael" explores the intersection of the natural and supernatural, set in Virginia City, Nevada, circa 1867. Shortly after the mining bonanza that turned Virginia City into the most important industrial city between Denver and San Francisco, Father Manogue, the only priest in the state of Nevada, would quickly develop a reputation as "Wyatt Earp with a collar", striking fear into the hearts of disreputable men and drawing respect, admiration and love from everyone he helped. "His Name is Michael" seeks to answer a question: what is your name?

UPCOMING SAINT FEAST DAY

Feast of St. Benedict | July 11th

Have you ever wanted to change the world? 5th century Europe was a dark place. The Roman Empire had fallen, and barbarian tribes were picking over the scraps of what remained. Faith hung on, but there was no consistent, coherent Christian culture in the world around. Young Benedict began his life with education and privilege but became disillusioned by a life pursuing material success. He withdrew to a monastery and spent much time in solitude. He began attracting followers, whom he organized over time into 12 monasteries, with a 13th established to train young monks. He wrote a rule of life including basic principles for living as Christ. His monks took three vows: conversion to Christ, obedience to the local abbot, and stability to remain with the community. Benedictine monasteries became lights in the darkness, secure centers of Christian culture enlivening the faithful beyond their walls. When the world around us seems complicated and contrary to the Gospel, how will you be a light?
